UNIT 2: COMPETITIONS

1. A competition/contest I attended:

Ví dụ: Last year, I attended an English speaking contest at my school. It was in November, and about thirty students joined it. I felt very nervous before my turn, but I tried to stay calm and speak clearly. Finally, I got a small prize for the third place. From the contest, I learned many new words and became more confident when speaking English.

2. Talk about your club:

Ví dụ: The name of my club is the English Speaking Club of my school. I attend it twice a month, usually on Sunday morning. The membership fee is fifty thousand dong a month. I feel happy when attending it because I can practice English with many friends and the teachers are very friendly. If you want to join, you can contact the club on its Facebook page or call the president directly.

UNIT 3: TRANSPORT

3. Your favourite means of transport:

Ví dụ: My favourite means of transport is the motorbike. I use it every day to go to school, the market and the gym. I like it because it is fast, cheap and very convenient in the traffic of my city. I can also stop anywhere I want on the way. Motorbikes are very popular in my city because almost every family has at least one, and people use them for work and study every day.

UNIT 4: CHALLENGES

V2 – Irregular verbs theo slide:

Ví dụ: go–went, do–did, meet–met; spend–spent (lend–lent, send–sent); drink–drank (sit–sat, sing–sang, ring–rang, sink–sank, run–ran); keep–kept (sleep–slept, sweep–swept); sell–sold (tell–told); read–read, let–let, shut–shut, hurt–hurt, hit–hit, cost–cost, put–put, cut–cut.

4. Tell about your last holiday:

Ví dụ: My last holiday was a trip to Da Nang with my family last summer. We stayed there for four days and three nights. We went there by bus because it is cheap and we could see the scenery on the way. In Da Nang, we visited My Khe beach, Ba Na Hills and the Dragon Bridge. We also enjoyed local food such as mi Quang and fresh seafood. I felt very happy and relaxed after the trip, and I hope we can go there together again.

UNIT 5: THE ENVIRONMENT

5. What is the role of the environment?

Ví dụ: The environment plays a very important role in our life. It gives us air to breathe, water to drink and food to eat. It also provides materials for our houses, clothes and many jobs such as farming and fishing. Without a clean environment, people, animals and plants cannot survive, so we must protect it from now.

6. What are some special features of your hometown?

Ví dụ: My hometown is Quang Nam province. It has many special features and famous places such as Hoi An ancient town and My Son sanctuary, which are world cultural heritages. The beaches there are very beautiful and clean. The people are friendly and hard-working, and the local food is delicious, especially mi Quang and cao lau.

7. What do you like most about your hometown?

Ví dụ: What I like most about my hometown is the peaceful life. People are kind and always help each other when someone has a problem. I also love the food and the quiet roads with green trees. Every time I come back home, I feel comfortable and safe like a child with my family.
